

NON-EXCLUSIVE LICENSE TO USE WORK OF ART

I, _____ (name of artist and/or copyright holder), am the sole owner of the following work of art and/or of the copyright in the work of art ("Work"):

Name: _____

Title: _____

Media: _____

Completion Year: _____

Dimensions: _____

To further the purposes of the Hawaii State Foundation on Culture and the Arts (HSFCA) and the Art in Public Places (APP) Program, I hereby authorize the HSFCA to reproduce the Work: for archival, documentary and educational purposes, including without limitation exhibition and research; in catalogues, databases, print and electronic publications including websites, prepared by or under the authority of the HSFCA to promote its collections, exhibitions and educational purposes; for publicity in connection with the APP Collection and exhibitions in which the Work appears; and for postcards, posters, calendars, copy prints, slides, video, film, and television. The HSFCA shall adhere to its customary high standards in respecting the quality and integrity of the Work in any reproductions it undertakes.

The HSFCA may authorize third parties to reproduce the Work on behalf of the HSFCA and may permit borrowers of the Work to reproduce the Work, provided that such reproduction is solely for the purposes stipulated in the first paragraph. In no event may the HSFCA reproduce or authorize others to reproduce the Work in, or in connection with, commercial or merchandising products or services, except as specifically set forth above, whether or not for sale, without my prior written consent.

The HSFCA will include the following safeguards in connection with websites: the opening screens of HSFCA websites will notify users that the contents may only be used for personal, educational and non-commercial use, that nothing may be reproduced without the permission of the HSFCA and the copyright holder, that information about the Work will be presented on the same web page or in close

proximity to the Work, and that images will be reproduced at a low resolution to prevent unauthorized, commercial use.

Since 1989, United States copyright law no longer requires a copyright notice to protect each reproduction of a work of art, so notice is not included on each and every reproduction. Rather, the HSFCA includes an overall copyright notice on all print and electronic publications including websites. I understand that the lack of notice on an individual reproduction of my Work does not relinquish my copyright interests. When the notice is used, it will read as follows © _____ (date of copyright), _____ (name of copyright holder).

This non-exclusive license, which does not transfer ownership of my copyright to the HSFCA, is irrevocable, royalty-free and shall endure for the entire term of the copyright in and to said Work and shall survive all assignments of copyright by me, and shall not be assignable by the HSFCA.
