Lead Teacher Statement of Support

I have worked with the Artistic Teaching Partner on this partnership application for an AITS grant. I approve of the final application, including Budget, and if the partnership receives an AITS grant, I will work with the other teachers and the artist to provide the residency described in the application.

As lead teacher, I will be responsible for letting the other teachers know that:

- *a one-hour professional development session with the artist is required for the residency teachers*
- *they need to be present in the classroom at all times during the artist's sessions*
- *their support during and in-between sessions is always appreciated by the teaching artist and makes for a more successful residency*
- *any problems that arise should be brought to the teaching artist's attention right away*
- *their on-line "Individual Teacher Evaluation" is due 30 days after the end of the residency, or by May 31, 2019, whichever is earlier*

As lead teacher, I will submit the on-line "School Final Report: Residency Data" form 30 days after the end of the residency, or by May 31, 2019, whichever is earlier.
