Principal Statement of Support

I approve of this final partnership application, including Budget, and if the partnership receives an AITS grant, I certify that my school will contribute 10% of the AITS grant amount received, in cash (not in-kind), towards residency expenses, unless this is an AITS Art in Public Places (APP) application, in which case, there is no monetary contribution required from the school.

I understand that a one-hour professional development session with the artist is required for the residency teachers.

I recognize that the whole residency serves as professional development for the faculty, so I will not pull teachers out of their classes during AITS time unless absolutely necessary.

I will thank the representative(s) and senator(s) from the school's district in writing (cc: HSFCA) and invite them to observe some part of the residency.
