### GRANTS TOWN HALL WITH CONGRESSMAN ED CASE

HONOLULU, HAWAI'I October 2020 - Join staff from the National Endowment for the Arts (NEA) and the State Foundation on Culture and the Arts (SFCA) to learn about grants and other resources available from your national and state-level public funders of the arts. In this session we expect to cover some of the basics for applying for government support and some of the recent changes in granting.

***"This year will be a time of great change, funding for the arts will help our communities survive this pandemic and the economic challenges we will be facing." - Vicky Holt Takamine, Executive Director, PA'I Foundation***

Following the informational session, you're invited to participate in a town-hall style, moderated question-and-answer session. The NEA and SFCA want to hear from you! We'll offer some guided questions and take attendee questions as well. This is your chance to ask questions and share insights so we can better connect you with the resources you need to renew the strength of Hawai'i's arts and cultural sector.
