GO SMART ONLINE INSTRUCTIONS

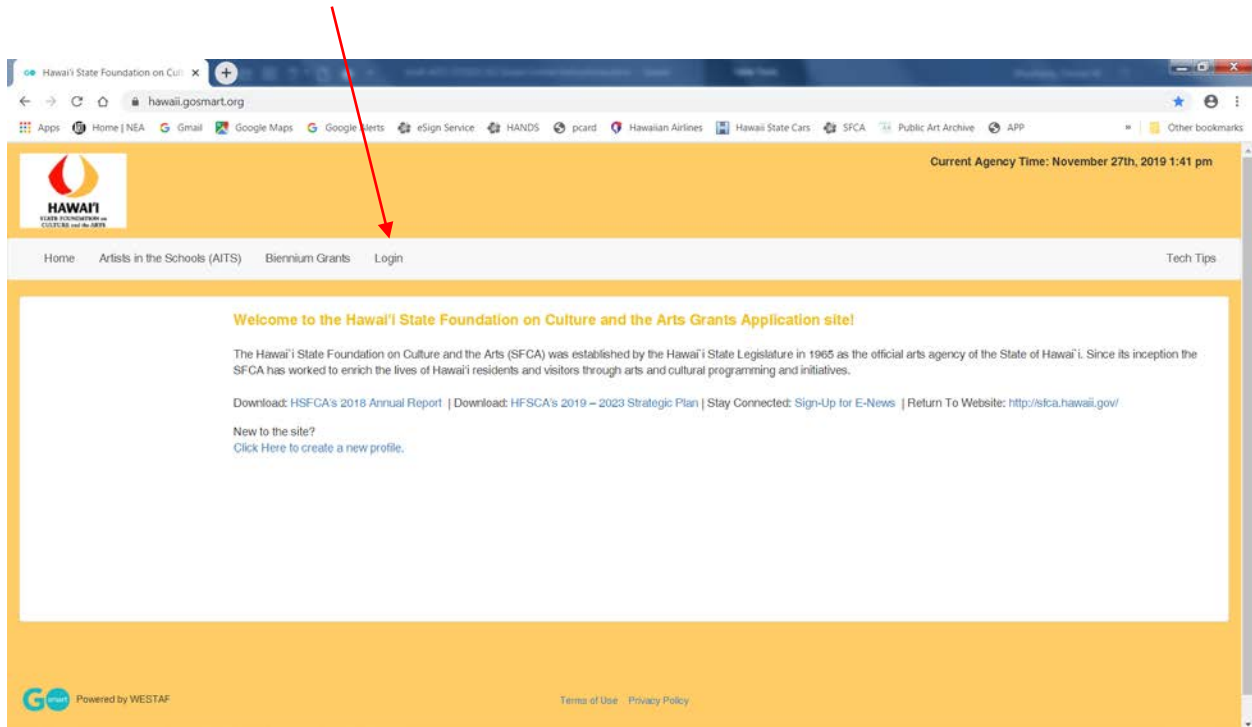

The **School is the applicant** for the Artists in the Schools grant.

Each **applicant School MUST have or create a Profile** that is used year after year BEFORE starting an AITS Application.

This includes the **Username and Password for the School**, which is shared amongst all who are inputting the applicant and application information.

STEP ONE: GO Smart Online Website Login

<https://hawaii.gosmart.org/>

STEP TWO: Enter School's Username and Password

On this page, you can:

- **Login** with your School's Username and Password that your School already has (see *STEP THREE below*), OR
- **Reset** your Password, OR
- Create a **new profile** - for Schools that have never used GO Smart online application (see *STEP FOUR below*).

The third section has "Enter your username:" labels, followed by input fields and a blue "Reset Password" button. At the bottom left, there is a link for "New to the site? If your school applied for an AITS grant for school year 2022-2023, please check with your AITS Contact person at your school or the ATP for your residency for the username and password:

Use your most current username and password.

Usernames and passwords can be reset on the GO Smart login page using the email associated with the account.

Please contact Danica.rosengren@hawaii.gov if you are unsure about your username or password, or if you have any questions about your Go Smart school profile and registration..

STEP FOUR: For Schools that need to create a Username and Password.

If this is the first time that your School is applying for an AITS grant via the GO Smart online application system, you must create an online profile:

If you are not sure whether this is the first time that your school is applying for AITS via the GO Smart online, please contact Danica.rosengren@hawaii.gov.

Applicants will be prompted on the GO Smart website.

- “GO Smart End User Terms and Conditions” will appear – click “Yes, I Agree”.

Filling in the Answers

Within the GO Smart system, applicants are presented with a series of questions and requests for information.

Some of these questions and requests require applicants to use check boxes and drop-down selection screens and others require a narrative response.

Use the **AITS SY2023 Questions Worksheet Template** (writable word document) to develop your answers. Copy and Paste completed narrative responses into the GO Smart application. You will not submit this worksheet. This is to help the school's AITS Contact and the ATP who are working together to develop the residency.

Use the **Program Budget Sheet** to develop your residency budget for the school.

You will submit this worksheet, in the "File Upload" of the budget section. A link to the Program Budget Sheet is also on the budget page.

Once the application is submitted, applications cannot be revised.

Helpful Hints

Here are some general suggestions to help applicants navigate the GO Smart application process:

- Multiple Users - To avoid losing work, ensure that only 1 person is working on the application at any given time. Multiple users should communicate frequently with each other.
- GO Smart "times out" if an applicant remains on one page for an extended period of time. To avoid losing work, save often using the "Save Work" button at the bottom of each page.
- Applicants must use the TAB key or MOUSE to move from question to question. When an applicant hits "enter," the system will save the page, but will not move to the next question.
- Narrative responses are limited to a maximum character (not word) count, including spaces. Applicants will be notified on each question if the maximum character count has been exceeded.
- Formatted text is not accepted by GO Smart; applicants cannot **bold**, *italicize* or underline text or change font style or size.
- Do not use Hawaiian diacritical marks. GO Smart cannot handle it – the automated substitutions are unintelligible.
- Many of the Questions require that you answer them. Click "Did I Complete This Page?" at the bottom to check on the page you were working on.
- If you would like to see or have a PDF of your application in progress, click on "View PDF" at the bottom.
- To move to the next section of the application, click "Next" on the bottom right of the page.
