GO SMART ONLINE INSTRUCTIONS

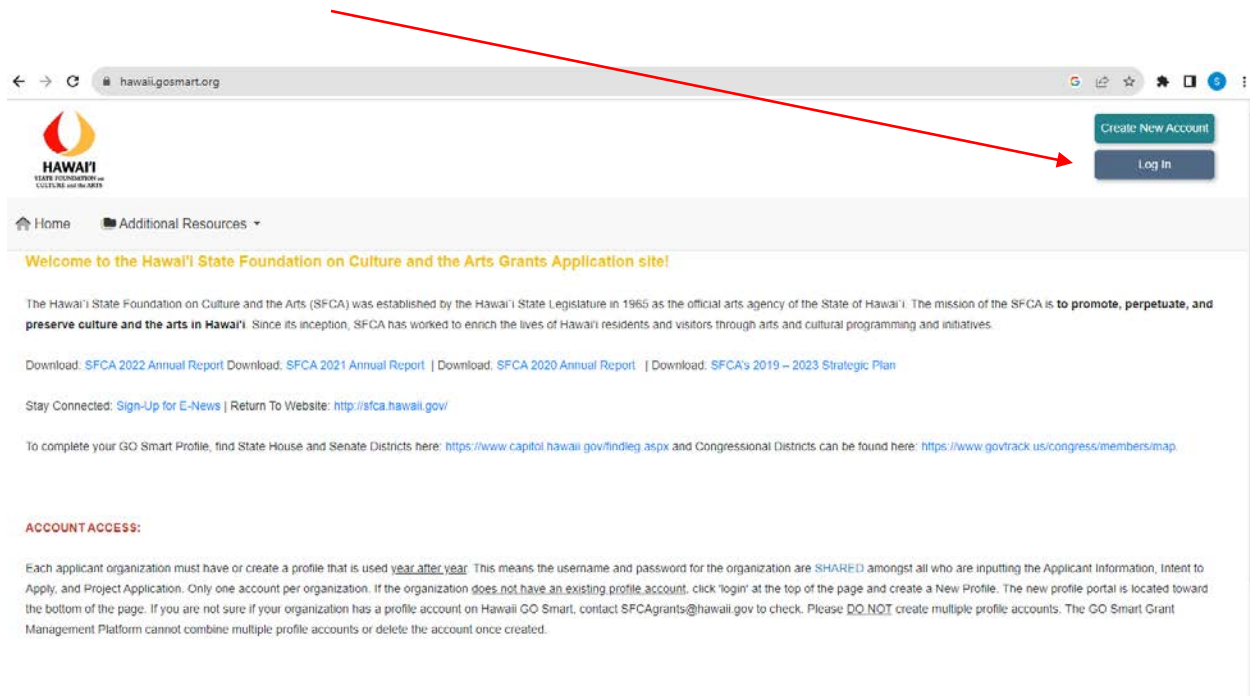

The **School is the applicant** for the Artists in the Schools grant.

Each **applicant School MUST have or create a Profile** that is used year after year **BEFORE** starting an AITS Application.

This includes the **Username and Password for the School**, which is shared amongst all who are inputting the applicant and application information.

- **Reset** your Password, OR
- Create a **new profile** - for Schools that have never used GO Smart online application (see *STEP FOUR below*).

The screenshot shows the login page for Hawaii GO Smart. At the top left is the Hawaii State logo. The main heading is 'Log In' with the instruction 'Enter your username and password below.' Below this are two input fields: 'Username:' and 'Password:'. There are links for 'Forgot Username?' and 'Forgot Password?' and a 'Log In' button. At the bottom is a 'Panelist Login' link. In the top right corner, there are two buttons: 'Create New Account' and 'Log In'. Red arrows from the text above point to these buttons and the input fields.

Use your most current username and password.

Usernames and passwords can be reset on the GO Smart login page using the email associated with the account.

Please contact Danica.rosengren@hawaii.gov if you are unsure about your username or password, or if you have any questions about your Go Smart school profile and registration.

Filling in the Answers

Within the GO Smart system, applicants are presented with a series of questions and requests for information.

Some of these questions and requests require applicants to use check boxes and drop-down selection screens and others require a narrative response.

Use the **AITS SY2024 Questions Worksheet Template** (writable word document) to develop your answers. Copy and Paste completed narrative responses into the GO Smart application. You will not submit this worksheet. This is to help the school’s AITS Contact and the ATP who are working together to develop the residency.

Use the **Program Budget Sheet** to develop your residency budget for the school.

You will submit this worksheet, in the “File Upload” of the budget section. A link to the Program Budget Sheet is also on the budget page.

Once the application is submitted, applications cannot be revised.

Helpful Hints

Here are some general suggestions to help applicants navigate the GO Smart application process:

- Multiple Users - To avoid losing work, ensure that only 1 person is working on the application at any given time. Multiple users should communicate frequently with each other.
- GO Smart “times out” if an applicant remains on one page for an extended period of time. To avoid losing work, save often using the “Save Work” button at the bottom of each page.
- Applicants must use the TAB key or MOUSE to move from question to question. When an applicant hits “enter,” the system will save the page, but will not move to the next question.
- Narrative responses are limited to a maximum character (not word) count, including spaces. Applicants will be notified on each question if the maximum character count has been exceeded.
- Formatted text is not accepted by GO Smart; applicants cannot **bold**, *italicize* or underline text or change font style or size.
- Do not use Hawaiian diacritical marks. GO Smart cannot handle it – the automated substitutions are unintelligible.
- Many of the Questions require that you answer them. Click “Did I Complete This Page?” at the bottom to check on the page you were working on.
- If you would like to see or have a PDF of your application in progress, click on “View PDF” at the bottom.
- To move to the next section of the application, click “Next” on the bottom right of the page.
